Dear Dr. Crichton:

① Congratulations on receiving the Golden Plate Award  
from the American Academy of Achievement.

I have had the pleasure of participating in the  
Academy's Salute to Excellence Weekend for a number of years.  
Few experiences are more inspirational or rewarding than talking  
to and sharing experiences with the brilliant young scholars from  
high schools around the country who will be involved in molding  
the future of our Nation.

By being selected to receive the Golden Plate Award and  
participating in the festivities, you have provided encouragement  
to these young achievers to pursue their dreams and to excel in  
whatever fields they have chosen. Thank you for the inspiration  
you provided to these exceptional young people.

Sincerely,

William S. Sessions
